## City Contracts To Furnish South Bay With Water Supply

New Ordinances Adopted Relating To Building And Road Improvements

The City of Belle Glade and the Town of South Bay have signed a contract, whereby the former is to provide the latter with its treated water supply, when the village distribution system is installed, and ready for operation. The Town is to use a minimum of 1,000,000 gallons of water a month, at the rate of 20 cents a thousand gallons. The city is to extend its mains to the Indian mound section, with a master-meter-to, connect with the South Bay six inch main. The city will finally become the corner of the lines, by deduction of certain discounts from the Town's bill.

A new ordinance, which is to become a part of the City Building code, will permit the use of metal and aluminum for building purposes and roofing, under specified requirements. City Commission will also consider a new plan for additional street lighting from Florida Power and Light Company, taking in the south canal road, and section in the north, southeast and southwest portions of the city. Also the consideration of a renewal of a street lighting contract for the next ten years, as the existing contract expired some time ago.

The Commission, as per its request, received and adopted the report made by Engineer John Pickett, relating to standard specifications for the manner of building and laying out of city roads, sidewalks and ditching in connection with such improvements. The Commission donated \$250 to the High School band fund, and accepted a deed for a right of way from the Board of Public Instruction, for creating a new drive running east of the Memorial Athletic fields, to the Lake road, for property owners will make lake donations.

## Running School Zone Causes Warning Of Four Officers

Too many motorists are making a speedway of the West Canal road, despite a school and red light check. The patrol boys have turned out the car numbers of four offenders to the city police, who in turn have warned the offenders.

## Masonic Grand Lodge Held At Jacksonville

The Grand Lodge of Free and Accepted Masons of Florida, is to convene in Jacksonville, the week of the Masonic Temple. J. R. Cherry, W. P. Rick will represent the local lodge and Harrison and J. C. Weeks. Owing to court cases, Sheriff John Kirk, master of the Belle Glade Lodge, will likely not be able to attend, and if so, only a portion of the session.

## Elks Lodge Arrange Celebrations

Lois C. Betzner, the new Exalted Ruler of Belle Glade Elks lodge, presided over his body for the first time at the session Monday night, and got the business off the program in quick manner. He made a talk in which he outlined what he expected and what he desired to accomplish during his term of office, and asked for cooperation from officers and members, in order that all should benefit.

A partial list of standing committees were named as follows: Assisting A. L. Wallis, Wm. B. E. Johnson, Capt. W. G. Nall, Leo Hayman, Ira Wiggins, Henry Bridges, Joe Murphy, H. H. Hitchcock and W. C. Lord; entertainment, T. C. Pope, Pat Brent, Louis Kirkman, S. C. Johnson, Carl Conner, Social H. O. O. Ray Whitlock, N. N. Starling, E. H. Borchart, W. C. Young, Sickness and Discomfort.

## Automobile Week Kills Three People Near Moore Haven

A fatal automobile accident occurred in the Moore Haven section, Thursday afternoon, in which three citizens of Kendall were killed two instantly, and the third victim died several hours later at the Sugarland Hospital from his injuries. The dead are James H. Crawford, Calvin Crawford, and Miss Joan Hartline, of Miami.

The fatal accident was due to the fact that a front tire on their car blew out, causing the car to become unmanageable, and to strike the end of a concrete culvert with great force. The bodies were all thrown from the car by the contact and the car traveled many yards after hitting the bridge end.

State Highway Patrolman J. P. Cook from Bell Glade made an investigation and handled the after crash affairs. The Berry Funeral Home ambulance making the energy call with the patrolman. The sugar Crawford sustained fractures of both legs and internal injuries, and had little chance of recovering from his injuries.

A marked increase in play and in new players on the course in recent weeks, Mr. Ziegler reports. The number of lady golfers has increased both of old time players as well as those just learning. The rebuilding and additions to the lake around the south and east side of the club now assures the members of freedom from flooded conditions as were experienced the past winter.

## Local Man Served On Important Labor Committee

Holger Lyngby, who was the representative of the Belle Glade Carpenters Union at the latest session of the State Federation of Labor at Jacksonville, was named and served as the chairman of the important Educational committee, and also drafted the preamble to the coming Legislature for at least consideration if not enactment. One of the strong resolutions recommended is: That the study of economic and political problems be taught in the public schools and colleges of the state, and that it be a compulsory measure.

## "SPEAKING POLITICALLY"

Following the request of James Wauget, County Democratic Executive Committee, the Chamber of Commerce appointed R. Y. Creesh, Sr., E. M. Van Landingham and Jack Johnson as a committee to make arrangements for a political rally here. The Committee announces a rally at 8:00 o'clock, April 23rd at the City Park in the time and place selected, with the Legion Hall or High School Auditorium as an alternate in case of inclement weather.

All State, County and District candidates will be given opportunity to make an appeal to the voters.

## Soybeans May Become Important Local Farm Crop

Iowa Feed Produces Scouts Glades With View Of Locating Large Plant Here

The richness and potential possibilities of our growing crops for cattle feeding has reached as far as Muscatine, Iowa, the center of the mid-west feed production. Mr. Kauff, representing one of the largest feed concerns spent several days here the past week, making a survey and picking up information, as to the advisability of his company putting in a large feed plant in this section. He stated that he was much pleased with his findings and believes that we have an excellent farm outlook and if a 50-60 acre crop, can be raised three times out of five, that we should raise corn and make a good profit. When he left he stated that he would soon return, bringing with him a large number of plant engineers, for a more complete survey as to conditions and the advisability of locating.

## Favorable Report By Creesh, Wallis And Bishop On Trip

R. Y. (Bob) Creesh, as Chairman of the Islands Flood Control District, Turner Wallis, as engineer, and L. D. Bishop, Port of Palm Beach Commissioner, as "friend at court" have returned from Washington where numerous interviews with Colonel Ferringer and his staff, Senator Holland and Oklahoma Senator Rogers, led to highly encouraged over the prospects of aid in rebuilding the levee on the islands that were damaged by the flood conditions of last fall.

Also, encouragement was found in the attitude of Congress and the Engineers over the probability of not raising the lake level and federal aid towards the building of the dike heretofore recommended by Colonel Jones as District Engineer.

## Golden Rams Hand Souto Broward An Easy 8-5 Defeat

Playing against teams representing schools their own size, the Belle Glade Rams of 1948 did not prove half as tough as the Rams of 1947.

Broward High of Danla came to Memorial Field, Friday afternoon, to stack up against the Golden Rams, and while they had a good team, they did not prove half as tough as the Rams of 1947.

Couch Cooke presented Harry and Doggett as the Rams' battery, and they worked the entire game in those positions, as did all the original assigned players in their positions.

Watkins and Smith worked the points for the Bulldogs, but in the fourth inning shifted positions, but that did not help their game to any extent.

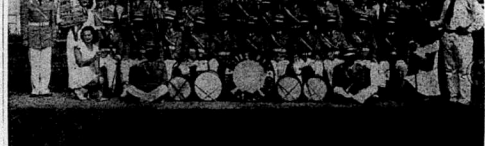

The Rams in the first scored three runs. Stalling was hit in the fifth by a pitched ball, Billy Joe Leathers followed with a base on balls, McDonald placed a pretty grass grazing double down the third base line.

## Glades Bands Receive Donation From Rev. Donor

At Monday's meeting of the county commission check was passed out to three high school bands of the county. Commissioners Lyall and Poston (who have one band in their two districts) designated \$100 for each of the Palm Beach High School band. Commissioner Paul Rardin (who has two bands in his one district) divided his \$100 evenly between Palmetto and Belle Glade bands.

Rardin in commenting on the action of the board Monday night said: "I handed the Palmetto check to Dennis Caudill and the Belle Glade check to Frank Hobson on Wednesday night. I don't want anybody to think that we didn't come in hospital."

**ROTARIANS SPONSOR GLEE CLUB FOR BENEFIT**  
A list of close to 130 donors who were solicited by the Rotarians for subscriptions is published in the program for tonight. In addition all proceeds will go towards purchasing much needed instruments for the band.

Principal Hobson and Band Director Payne point out that because of the lack of instruction the local band is "beating before it started" for will judges must take the bands on for our fair share when the checks were passed out.

## Glades Area To Get \$958,800 In Improvements From The County School Bond Issue

Navy Proposes To Place Radio Plant In Belle Glade

Jack O. Johnson, who was a service man in the late war, states that the Jacksonville Naval Base, is anxious and prepared to bring in equipment and form a Volunteer Electronic warfare platoon in Belle Glade, as a result of a survey made of recent date. The Navy will bring in equipment valued at \$4,000, consisting of a Naval Radio transmitter and Receiver. Local requirements will be a place to shelter the equipment, and at least two experienced radio men, to handle the station, and train others in the radio instructional and training work. If there are any radio men interested, or if any one has a small space to install the equipment, Mr. Johnson requests that they get in touch with him at once.

When placed here, the station would have daily report hour to the Jacksonville Naval Station, and learners would be open key with like stations throughout Florida. Mr. Myers, Miami, Cleveland, West Palm Beach, Ft. Pierce, Lakeland, and others in this locality. The service is also open to hurricane reporting and to the local unit of the National Guard.

White And Negro Schools To Benefit From Foundation Plan Money

The Educational program for Palm Beach County comes before the free holders at a special election set for May 18th, when a \$350,000 bond issue is up for approval or rejection. The approval of such a bond issue will permit work on the announced building program was started in January. This movement is the outcome of the State Survey school report, and action taken by the Palm Beach County Board of Public Instruction to carry out the recommendations of that report. All portions of the county will be benefited by these proposed improvements, but nowhere more directly than in the towns of Canal Point, Pahokee, Belle Glade, and where appropriations have been recommended in the sum of \$958,800, and before projects are completed may reach the million mark.

Here in Belle Glade we are especially favored under the work program for we get \$232,000 for a new White high school, and \$267,000 for a new colored high school, to be located on acreage now owned by the Board of Instruction, in the south west portion of the city. In addition a new elementary colored school is recommended for Bean City to take care of the Florida State Children, from South Bay, Lake Harbor and some of the Sugar company children, and the man who is in charge of the new educational center.

Florida Chain Of Missions Held In West Palm Beach

The Florida Chain of Missions, opened up its three day session at the First Methodist Church, in West Palm Beach, with the usual array of leading speakers from the Home and Foreign fields. The Belle Glade and Pahokee societies were represented at these sessions during the week.

## Local Rotary Club To Attend District Meet In WP Beach

The annual conference of the 157-B District of Rotary International will be held in West Palm Beach from April 18th to 20th, it was announced today by Pres. R. L. Ray of the host club. Representatives of the 25 clubs, which comprise this Rotary District will participate in the conference to discuss ways of increasing the effectiveness of the Rotary service activities during the coming year.

Among the principal activities of the Rotary Club in this district are community service to the blind and other handicapped persons, as well as service to youth through vocational service and other forms of boys work and other community service rendered are aided by the Y. M. C. A. and sponsorship of the community fund drives such as the "Bells of the World" drive.

## Jealous Husband Kills South Bay Man

A man is dead, a woman is in the hospital from wounds inflicted in a serious club beating, and the man who did the shooting and clubbing, is now in the county jail, facing a charge of manslaughter.

Around 1:30 Tuesday morning, as work people were leaving one of the South Bay packing houses, a man, named Moore, a Sandcut frog hunter, located his divorced wife and one William Colon, age 22, together with an ambulance, without warning, fired a rifle, instantaneously killing Moore.

## Health And Accident Insurance Offered On Wholesale Plan

Modern thinking along mass production lines has brought many items of necessity and convenience to the ordinary man, and now come the Mutual Benefit of Omaha advertised as the largest, best and most accident Company in the world, offering Belle Glade citizens a hospital policy at a rate that allows even the modest wage earner to protect the entire family.

This is a unique plan of insurance and is based on accurate calculations and the law of averages, it strongly invites investigation, particularly by families. An ad in this issue of THE HERALD gives more details.

Our information is that Belle Glade is the third community in the United States to have this plan by the Mutual Benefit of Omaha.

Homestead has just completed what amounted to a community-supported campaign.

## Community Methodist Church Records A Successful Year

In every Methodist Church, the fourth quarterly meeting, which is presided over by the District Superintendent, is the most important of the year for it is there that a checking of work done by the various departments during the year is presented and made of official record for conference uses.

Such an event was held at the Community Methodist Church on Sunday, when Dr. Henry W. Blackburn, of Miami, came up to preach the morning sermon and later hear the reports. A crowded auditorium of worshippers enjoyed the excellent sermon which was well presented.

After the morning service congregational members and guests had a fellowship dinner, served by the church women. At 2 o'clock, the quarterly conference was started. The pastor Rev. L. F. Vandewater, serving his first year in the pastorate, made his annual report.

## SENATOR BEACHAM ASKS RELECTION

Senator John R. Beacham has been in the Glades this week in the interest of his candidacy for reelection to represent Palm Beach County.

Johnny points out that he has successfully won the congressional appropriation for the Everglades Fire Control in the amount of \$150,000 biannually. "My fight against the Everglades and his cohorts seeking to destroy the Everglades Drainage District is well known to every Palm Beach County voter," he says.

"My efforts in the Senate were successful in getting thru the increase for the Everglades Experiment Station from \$118,000 to \$150,000 for the two year period."

"If my record as Senator appeals to the voters of the County, I'll appreciate its endorsement by a vote on May 4th," the Senator said.

Featuring a new steering column gearshift and a foot-operated parking brake with hand-pull release, GMC's 1948 light duty models in the FC-100 and 150 series provide greatly increased driving and parking ease, more leg room and easier exit and entrance from either side. For smooth, classless shifting, these models also have a re-designed 4-speed Synchro-Mesh transmission. A completely new 4-speed Synchro-Mesh transmission, offered as standard equipment on the heavier FC-250 through 350 series, is optionally available for the lighter models.

**Parking Meters Show Reduced Collections Says Officer Brickey**

When Officer Brickey collected the coins from the parking caches, on Sunday, he found that for the past two weeks, the collection amounted to \$266. He states that collections have fallen off this year because people are parking in the non-meter areas, and there is smaller parking during the day than usual.

Half of the collections go to the city and the balance to meter owners for pay for the machines.

## There Should Be NO TAX on gasoline for fishing boats and farm equipment, says FULLER WARREN

### All Florida's Candidate for Governor

"I shall do everything in my power as Governor to correct this unjust levy. These boats and farm equipment do not use our highway system for which this tax is intended... our fishing and farm industries and other non-highway gasoline users should be encouraged by lifting this tax."

Fuller Warren means it when he says he will advance the interests of all the people of Florida. He is opposed to a general sales tax. He wants to return the State to "prosperity" through an effective reforestation program. He wants better farm-to-market roads.

He wants the aged and infirm to get a real break through an expanded Health and Welfare Program providing better old age assistance. And when he is your Governor, you won't have to "see any one to see" Fuller Warren. His door will be open to every citizen of Florida!

here. He was shown around the territory by Assistant County Agent H. L. Speer. With Big Joe corn, cane and sorghum, rami and lemon grass available, and likely soybeans as another source of supply, Mr. Kautz was of the belief that the Glades would be a very fine section for cattle feed production.

In the northern and western states soybeans are a very profitable crop, a plant which can be used in its entirety, for the numerous purposes for which it's used, especially its oil, and grass for cattle feed. R. J. Simonsen, of Pahokee, this season, has planted several patches of soybeans among his green beans, and they have thrived and produced well, and he is much encouraged over their possibility in this section, especially as the cattle business is on the increase in the Glades. A sample bush of his crop is on display at the County Agent's office, and it is filled from top

Moore Haven Pays

Honor To Jim Jima

Marine Hero

The citizens of Moore Haven

and Glades county, gathered on

last Saturday morning, to pay

last respects to one of its late

war heroes, whose body had

been brought back from fam-

ous Iwo Jima island in the Pa-

cific ocean, where as a member

of the Marine Corps, Pharmacist

Mate 1-c, Clyde Dunklee, had

paid the last great sacrifice.

The body was accompanied

by an armed escort, and the

Veteran's Of Foreign War Post

took charge, and conducted a

military funeral, assisted by

Broadway M. Daniels and Army

Chaplain John A. Moore, the

latter now pastor of the Moore

Haven Baptist Church. The

school band provided the march

music, and local police took

place around the funeral corte-

Rebels To Celebrate

Founding Of Old Folks

On the evening of April 20th,

Belle Rebekah Lodge will

have a special program cele-

brating the 129th anniversary

of the founding of the Inde-

pendent Order of Odd Fellows.

At 7:30, prior to lodge session

the membership families will

have a hot luck supper.

Candidates who have been

elected to membership will

receive the degree work on the

evening of May 4th. As both

both eligible representatives to

the Rebekah Assembly at Lees-

burg, are tied up in school

duties, neither will be able to

attend, so the lodge decided to

be non-represented at Lees-

burg.

into left field, scoring Stalling

and Leathers and he scored the

right field foul line.

Again in the fourth inning

they scored three runs. Burke

opened up with a deep drive

to shore, K. Wise threw wild

and over first base, Harrell

came up with a two base punch

into center field scoring Burke.

Leathers got a walk, one of

four he drew during the game,

McDonald was safe on a mis-

judged fly near the plate, Bass

came safe on a hard try, Harrell

and Leathers scored.

In the sixth the Rams gath-

ered in two more tallies. Burke

got a walk and stole both

second and third, McDonald

was hit by a pitched ball on

his rump and took first and

then stole second, Bass then

climbed a pretty single into

center, scoring both Leathers

and McDonald.

The Bulldogs got a score in

the seventh on a bang on balls

from K. Wise, a hit by David and

an error by Stalling. A brace

of scores came in the fifth on

infield hits by McComb and

Merrell and a fielder's choice,

Watkins and Mulkey walked,

and the score came "during

Mr. English was born, raised, and has lived most of his life in his family home on our own cross state highway west of Cleveland. He has watched the drainage and development of the Everglades where he owns lands in our own Palm Beach County. He is in thorough accord with the Water Control, Conservation, and Beach Erosion programs now being ready for Legislative action, both in Washington and Tallahassee.

Mr. Hennis Helt, political writer, Miami Herald, says in last Sunday's Herald that well over half the people haven't yet made a choice for Governor. He calls this "... the silent independent vote which will settle the outcome. . . ."

We especially appeal to these silent voters. We urge you to consider the valuable and honorable service Mr. English has rendered your State in the position of trust you have placed him for the last eleven years; the outstanding qualities of his character and benefits to the people of this state during the next four years. We earnestly solicit your vote and support for Mr. English.

Palm Beach County Headquarters for Mr. English are located at the corner of Olive and First Streets in West Palm Beach, phone 3-2800. You are cordially invited to visit with us. A committee of ladies and gentlemen supporters of Mr. English will always be present to welcome you. 9:30 A.M. to 9:30 P.M.

Our English Clubs around the State report a rapid gain in new members each day. Such is the case with our local English club.

While Mr. English does not have any connection with any political poll and we know they often do not reflect a true voter sentiment, some being purely for propaganda purposes, nevertheless, right now:

"ACCORDING TO ALL THE POLLIN' COLIN'S ROLLIN'."

You are invited to hear Mr. English discuss his program and platform over Ameri-  
can Broadcasting System State wide hookup each Monday at 8 P. M. Station WWPG

## WHAT LOCAL PEOPLE SAY:

MR. LEE O. DRY - Superintendent of Belle Glade Hospital says:

"I believe the community Hospital Plan and prepaid medical plan that is presented by the Mutual Benefit Health and Accident Association is very definitely a step in the right direction for this community. I heartily urge each and every member of the community to participate."

WILLIAM J. BUCK, M. D. - Chief of Medical Staff - Belle Glade Hospital says:

"Mutual Benefit Health and Accident Association is offering a special plan to furnish hospital and medical care in connection with the local hospital. I am familiar with this insurance company and know them to be reliable. The plan which they are offering offers adequate protection."

MRS. JAMES M. BARRON - Well known Club Women and Housewife says:

"The Mutual Benefit of Omaha, is to be congratulated for their efforts in bringing this new hospital and medical plan to Belle Glade. With our usual enthusiasm for such worthy projects we will make this the best protected community in the State of Florida."

HERMAN BAXT, M. D. - Prominent Physician of Belle Glade says:

"A perusal of the policies of the Mutual Benefit Health & Accident Association indicates that it is offering satisfactory medical and hospital protection to persons interested in health insurance."
